Hello Carmella,

My name is Stephanie Holling and my fiance and I have old city park reserved for Saturday September 7th for our wedding. We just needed approval for music for the event. It will be small, around 50 people, and music will only be played around 6-8:30pm or so (with only a couple small speakers to begin with). We have already payed the amplified music deposit, if there's any other information you need from me please let me know! Thanks in advance.

-Stephanie
