Title: Update on the Administrative Guidelines for the Use and Reservation of City Owned Property

Presenter: Joel Linares

Attachment(s):

- Administrative Park Policy Plan

Background/Summary:

The City owns several facilities and parks which are available for the public use. These include Swanny Park, Rotary Park, Old City Park, Lyon's Park, Anonymous Park, the Ball Park, The Moab Art and Recreation Center (MARC), Moab Recreation and Aquatic Center (MRAC) Center Street Gym, Sun Court, and others.

These facilities are very popular and are in high demand. Individuals contact the City to request the use of these facilities for private events and for day-to-day use. Individuals wish to secure facilities for private events through reservations and City staff seeks guidance as to policies and procedures regarding the use of these facilities for both public and private events, use by dogs, use of amplified sound, and other types of events and issues.
