

CITY OF MOAB RESOLUTION NO. 03-2020
A RESOLUTION APPROVING COMPENSATION FOR UTILITY AND
CONSTRUCTION EASEMENTS FOR THE NORTH SEWER TRUNK LINE

The following findings describe the reasons for this resolution and explain its purpose.

- a. The City desired to extend gravity sewer main access to the northern extents of the City.
- b. Doing so required crossing several low-lying areas of properties along the west side of the North US-191 corridor.
- c. Compensation was negotiated and agreed upon with owners of said properties.

Now therefore, the City of Moab resolves as follows:

- 1. **Direction to Staff.** Staff is directed to waive future sewer connection fees for parcels 01-126-0010, 01-126-0009, 01-126-0008, 01-126-0006; and pay the Nature Conservancy compensation in the amount of \$6,000.00.
- 2. **Effective Date and Duration.** This resolution shall take effect immediately upon passage by the City Council, regardless of the date of publication.

PASSED AND APPROVED by a majority of the City Council, this 14th day of January, 2020.
