Suggested Motion: I move to approve the Community Contributions Ad Hoc Committee's Recommendations for FY2019-2020 grants. Options: Approve, deny or modify.

Background/Summary:

Note: This item was tabled at the Dec. 10, 2019, Moab City Council. Some revisions to the information contained in the Council Summary Report have been made for the purpose of clarity.

In September 2018, the Moab City Council approved Resolution 35-2018, A Resolution to Adopt Guidelines and Procedures for Community Contributions. These guidelines also established a Special Event Sponsorship program.

A four-person committee consisting of City staff appointed by City Manager Joel Linares recently reviewed all FY2019-2020 applications, ranked them, and agreed on recommended funding levels for each program. Three programs are not recommended for aid from the Community Contributions fund and one program is recommended to receive in-kind assistance.

In all, thirteen (13) applications were received with a total requested amount of \$124,107. The Community Contributions ad hoc committee reviewed all applications and recommends funding the requests in the total amount of \$40,500, leaving \$14,500 to be used for event sponsorships for the remainder of the fiscal year.
