OR
I move to adopt Ordinance 2021-02, Option A, enacting a temporary land use regulation prohibiting, for a period of 180 days, the development of new vehicle sales, rentals or leasing, commercial outdoor recreational uses, commercial and recreational tour companies, outfitters, and guide services as they pertain to All Terrain Vehicles (ATVs) as defined by Utah State Code §§ 41-6a-102 and 41-22-2.
Background/Summary:

Based on the City Council Discussions on ATVs held on January 12, 2021 and January 26, 2021, two options for a Temporary Zoning Regulation have been prepared for your consideration and possible approval. This action is permitted pursuant to Utah Code Annotated (“U.C.A.”) §10-9a-504, a municipal legislative body may, without prior consideration of or recommendation from the planning commission, enact an ordinance establishing a temporary land use regulation for any part or all of the area within the municipality if:

(i) the legislative body makes a finding of compelling, countervailing public interest; or
(ii) the area is unregulated.

(b) A temporary land use regulation under Subsection (1)(a) may prohibit or regulate the erection, construction, reconstruction, or alteration of any building or structure or any subdivision approval.

(c) A temporary land use regulation under Subsection (1)(a) may not impose an impact fee or other financial requirement on building or development.

(2) The municipal legislative body shall establish a period of limited effect for the ordinance not to exceed six months;

The intent of the ordinance is to allow the City 180 days to develop new regulations to better address ATVs in Moab. This is part of a larger effort that includes addressing impacts created by increased ATV use.

Both of the options presented include amended language suggested by Council Members.

Ordinance Language:

The proposed Ordinance options consist of supporting statements (the Whereas statements) that explain why such an action is necessary at this time. Many of the items were taken from the Joint Resolution approved by the City
Council and the County Commission. They have been modified to apply to the City only. References to Grand County have been deleted. These statements support the need for this action.

The specific direction to enact the ordinance is similar to the language the City Council adopted as a part of the Temporary Zoning Regulation on Overnight Accommodations, modified to address ATVs.
