SERIES 2021 BOND PROVISIONS

(a) Execution; Limited Obligation. The Series 2021 Bonds shall be executed on behalf of the Issuer with the manual or official facsimile signature of its Mayor, countersigned with the manual or official facsimile signature of the City Recorder, and shall have impressed or imprinted thereon the corporate seal or facsimile thereof of the City Recorder. In case any officer whose signature shall appear on the Series 2021 Bonds, shall cease to be such officer before the delivery of such Series 2021 Bonds, such signature shall nevertheless be valid and sufficient for all purposes, the same as if he had remained in office until delivery. The Series 2021 Bonds, together with interest thereon, shall be limited obligations of the Issuer payable solely from the Net Revenues (except to the extent paid out of moneys attributable to the Series 2021 Bond proceeds or other funds created hereunder or the income from the temporary investment thereof).

The Series 2021 Bonds shall be a valid claim of the respective Registered Owners thereof only against the Net Revenues and other moneys in funds and accounts held by the Issuer hereunder and the Issuer hereby pledges and assigns the same for the equal and ratable payment of the Series 2021 Bonds, and the Net Revenues shall be used for no other purpose than to pay the principal of, premium, if any, and interest on the Series 2021 Bonds, except as may be otherwise expressly authorized herein. The issuance of the Series 2021 Bonds shall not, directly, indirectly or contingently, obligate the Issuer or any agency, instrumentality or political subdivision thereof to levy any form of taxation therefor or to make any appropriation for their payment.
(b) Authentication and Delivery of Series 2021 Bonds.

(i) The Issuer shall deliver executed Series 2021 Bonds to the Registrar for authentication. Subject to the satisfaction of the conditions for authentication of Series 2021 Bonds set forth herein, the Registrar shall authenticate such Bonds, and deliver them upon the order of the Issuer to their respective Owners thereof upon the payment or exchange by the Owners to the Issuer for the account of the Issuer of the purchase price therefor. Delivery by the Issuer shall be full acquittal to the Owners for the purchase price of such Series 2021 Bonds, and the Owners shall be under no obligation to see to the application thereof. The proceeds of the sale of such Series 2021 Bonds shall, however, be disposed of only as provided herein.

(ii) No Series 2021 Bond shall be valid or obligatory for any purpose or entitled to any security or benefit hereunder, unless and until a certificate of authentication on such Series 2021 Bond substantially in the form set forth in the forms of Bonds attached hereto shall have been duly executed by the Registrar, and such executed certificate of the Registrar upon any such Bond shall be conclusive evidence that such Bond has been authenticated and delivered hereunder. The Registrar’s certificate of authentication on any Bond shall be deemed to have been executed by it if signed by an authorized officer of the Registrar, but it shall not be necessary that the same officer sign the certificate of authentication on all of the Bonds issued hereunder.

(iii) Prior to the authentication by the Registrar of the Series 2021 Bonds there shall have been filed with bond counsel:

(1) A copy of this Master Resolution duly certified by the City Recorder.

(2) A certificate of the Issuer, dated as of the date of authentication of the Series 2021 Bonds, to the effect that this Master Resolution is still in force and effect without amendments.

(3) A request and authorization to the Registrar from the Issuer to authenticate the Series 2021 Bonds in the aggregate principal amount therein specified and deliver them to purchasers therein identified upon payment to the Issuer, of the sum specified therein.

(4) An opinion of bond counsel dated the date of authentication of the Series 2021 Bonds to the effect that (a) the Master Resolution has been duly adopted by the Issuer
and creates a valid and binding obligation on the Issuer in accordance with its terms, (b) the Series 2021 Bonds are special obligations of the Issuer payable solely from the Net Revenues and do not constitute a general obligation indebtedness of the Issuer, and (c) the interest payable on the Series 2021 Bonds is excludable from gross income for federal income tax purposes.

(c) Mutilated, Lost, Stolen or Destroyed Bonds. In the event any Bond is mutilated, lost, stolen or destroyed, the Issuer may execute and the Registrar may authenticate a new Bond of like date, series, maturity and denomination as that mutilated, lost, stolen or destroyed; provided that, in the case of any mutilated Bond, such mutilated Bond shall first be surrendered to the Registrar, and in the case of any lost, stolen or destroyed Bond, there shall be first furnished to the Registrar evidence of such loss, theft or destruction satisfactory to the Registrar, together in all cases with indemnity satisfactory to the Registrar and the Issuer. In the event any such Bond shall have matured, instead of issuing a duplicate Bond, the Registrar may pay the same without surrender thereof upon compliance with the foregoing. The Registrar may charge the Registered Owner of such Bond with its reasonable fees and expenses in this connection. Any Bond issued pursuant to this Section 3.03 shall be deemed part of the Series of the Bonds in respect of which it was issued and an original additional contract obligation of the Issuer.

(d) Registration of Bonds; Persons Treated as Owners. The Issuer shall cause the books for the registration and for the transfer of the Bonds as provided herein to be kept by the City Recorder which is hereby constituted and appointed the Registrar of the Issuer with respect to the Bonds, provided, however, that the Issuer may, by Supplemental Resolution, select a party other than the City Recorder to act as Registrar with respect to the Series of Bonds issued under said Supplemental Resolution. Any Bond may, in accordance with its terms, be transferred only upon the registration books kept by the Registrar, by the person in whose name it is registered, in person or by his duly authorized attorney, upon surrender of such Bond for cancellation, accompanied by delivery of a written instrument of transfer in a form approved by the Registrar, duly executed. No transfer shall be effective until entered on the registration books kept by the Registrar. Upon surrender for transfer of any Bond at the office of the Registrar, duly endorsed by, or accompanied by a written instrument or instruments of transfer in form satisfactory to the Registrar and duly executed by, the Registered Owner or his attorney duly authorized in writing, the Issuer shall execute and the Registrar shall authenticate and deliver in the name of the transferee or transferees, a new Bond or Bonds of the same Series and the same maturity for a like aggregate principal amount as the Bond surrendered for transfer. Bonds may be exchanged at the office of the Registrar for a like aggregate principal amount of Bonds of other authorized denominations of the same Series and the same maturity. The execution by the Issuer of any Bond of any authorized denomination shall constitute full and due authorization of such denomination, and the Registrar shall thereby be authorized to authenticate and deliver such Bond. The Issuer and the Registrar shall not be required to transfer or exchange any Bond (i) during the period from and including any Regular Record Date, to and including the next succeeding Interest Payment Date, (ii) during the period from and including the day fifteen days prior to any Special
Record Date, to and including the date of the proposed payment pertaining thereto, (iii) during the period from and including the day fifteen days prior to the mailing of notice calling any Bonds for redemption, to and including the date of such mailing, or (iv) at any time following the mailing of notice calling such Bond for redemption.

The Issuer, the Registrar and the Paying Agent may treat and consider the person in whose name each Bond is registered on the registration books kept by the Registrar as the holder and absolute owner thereof for the purpose of receiving payment of, or on account of, the principal or redemption price thereof and interest due thereon and for all other purposes whatsoever, and neither the Issuer, nor the Registrar nor the Paying Agent shall be affected by any notice to the contrary. Payment of or on account of either principal of or interest on any Bond shall be made only to or upon order of the Registered Owner thereof or such person’s legal representative, but such registration may be changed as hereinabove provided. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid.

The Registrar shall require the payment by the Bondholder requesting exchange or transfer of Bonds of any tax or other governmental charge and by the Issuer of any service charge of the Registrar which are required to be paid with respect to such exchange or transfer and such charges shall be paid before such new Bond shall be delivered.

(e) Notice of Redemption. In the event any of the Series 2021 Bonds are called for redemption, notice thereof identifying the Series 2021 Bonds or portions thereof to be redeemed will be given by the Paying Agent by mailing a copy of the redemption notice by registered or certified mail at least thirty (30) days prior to the date fixed for redemption to the Registered Owner of each Series 2021 Bond to be redeemed at the address shown on the registration books; provided, however, that failure to give such notice by mailing, or any defect therein, shall not affect the validity of any proceeding for the redemption of any Series 2021 Bond with respect to which no such failure has occurred. Any notice mailed as provided in this paragraph shall be conclusively presumed to have been duly given, whether or not the Registered Owner receives the notice. All Series 2021 Bonds so called for redemption will cease to bear interest after the specified redemption date provided funds for their redemption are on deposit at the place of payment at that time.

(f) Cancellation. All Bonds which have been surrendered for payment, redemption or exchange, and Bonds purchased from any moneys held by the Paying Agent hereunder or surrendered to the Paying Agent by the Issuer, shall be canceled and cremated or otherwise destroyed by the Registrar and shall not be reissued, and a counterpart of the certificate of cremation or other destruction certificate evidencing such cremation or other destruction shall be furnished by the Registrar to the Issuer; provided, however, that one or more new Bonds shall be issued for the unredeemed portion of any Bond without charge to the Registered Owner thereof.

(g) Nonpresentation of Bonds. In the event any Series 2021 Bond shall not be presented for payment when the principal thereof becomes due, either at maturity or otherwise, or at the date fixed for redemption thereof, if funds sufficient to pay
such Bond shall have been made available to the Paying Agent, all liability of the Issuer to
the Registered Owner thereof for the payment of such Bond shall forthwith cease, terminate
and be completely discharged, and thereupon it shall be the duty of the Paying Agent to
hold such fund or funds, without liability to the Registered Owner of such Bond for interest
thereon, for the benefit of the Registered Owner of such Bond who shall thereafter be
restricted exclusively to such fund or funds for any claim of whatever nature on his part
hereunder or on, or with respect to, said Bond. If any Bond shall not be presented for
payment within four years following the date when such Bond becomes due, whether by
maturity or otherwise, the Paying Agent shall, to the extent permitted by law, repay to the
Issuer the funds theretofore held by it for payment of such Bond, and such Bond shall,
subject to the defense of any applicable statute of limitation, thereafter be an unsecured
obligation of the Issuer, and the Registered Owner thereof shall be entitled to look only to
the Issuer for payment, and then only to the extent of the amount so repaid, and the Issuer
shall not be liable for any interest thereon and shall not be regarded as a trustee of such
money.

(h) Additional Bonds. No additional indebtedness, bonds, or notes
of the Issuer payable on a priority to the pledge of Net Revenues for the payment of the
Series 2021 Bonds or the Parity Bonds herein authorized shall be created or incurred
without the prior written consent of the Owners of one hundred percent (100%) of the
outstanding Series 2021 Bonds or the Parity Bonds. In addition, no Parity Bonds payable
on a parity with the Series 2021 Bonds herein authorized out of Net Revenues shall be
created or incurred, unless the following requirements have been met:

closing:

herein described (assuming, if applicable, the completion of
any additions, improvements, extensions, replacements or
repairs to the System (collectively, the “Improvements”) 
financed with proceeds of the Parity Bonds) either:

(A) for each of the two Sinking Fund Years succeeding
the latest estimated date of completion of the Improvements, if
proceeds of the Parity Bonds are used to fund interest during the
construction period, or
(B) if (i) is not the case, for the then current Sinking Fund Year and each succeeding Sinking Fund Year to and including the second Sinking Fund Year succeeding the latest estimated date of completion of the Improvements; and

(2) verifying that the Estimated Net Revenues as shown in (i) above for each of such Sinking Fund Years are not less than one hundred twenty-five percent (125%) of the aggregate Annual Debt Service for each of such Sinking Fund Years with respect to all of the Series 2021 Bonds and Parity Bonds which would then be Outstanding (after taking into account any principal reductions resulting from regularly scheduled principal or sinking fund redemption payments) and the Parity Bonds so proposed to be issued.

For purposes of this subsection (b), “Estimated Net Revenues” shall be determined as follows:

(3) The total Net Revenues of the System for the most recent twelve (12) month period immediately preceding the authentication and delivery of the Parity Bonds in which such information is available to the Issuer shall be first be determined. For purposes of these calculations, Revenues may be adjusted to give full effect to rate increases implemented prior to the issuance of the Parity Bonds.

(4) Next, the additional Net Revenues, if any, resulting from the Improvements financed with the proceeds of the Parity Bonds will be estimated for the applicable Sinking Fund Years as determined in (b)(1)(i) or (ii) above.

(5) The Estimated Net Revenues will be the sum of the Net Revenues as calculated in (a) above, plus eighty percent (80%) of the estimated additional Net Revenues as calculated in (b) above.

(iii) All payments required by this Master Resolution to be made into the Bond Fund must have been made in full, and there must be in any reserve account related to outstanding Bonds, the full amount required by this Master Resolution to be accumulated therein at such time.

(iv) The proceedings authorizing the Parity Bonds must establish a reserve account into which shall be accumulated an amount, if any, required by the proceedings authorizing the issuance of the Parity Bonds.
(v) The proceeds of the Parity Bonds must be used (i) to refund Bonds issued hereunder or other obligations of the Issuer (including the funding of necessary reserves and the payment of costs of issuance) or (ii) to make additions, improvements, extensions, replacements, or repairs to the System (including the funding of necessary reserves and the payment of costs of issuance).

(vi) No Event of Default shall have occurred and be continuing hereunder. This paragraph (f) shall not preclude the issuance of Parity Bonds if (i) the issuance of such Parity Bonds otherwise complies with the provisions hereof and (ii) such Event of Default will cease to continue upon the issuance of the Parity Bonds and the application of the proceeds thereof.

(i) Sale of Bonds; Authorization of Agreements. The Series 2021 Bonds shall be sold to the Purchaser at a price equal to $_________, representing the principal amount of the Series 2021 Bonds, less a Purchaser’s discount of $_____ in accordance with the provisions of the Bond Purchase Agreement. The Mayor and City Recorder are hereby authorized to execute and deliver the Bond Purchase Agreement on behalf of the Issuer in substantially the form and with substantially the same content as contained in Exhibit B attached hereto. The appropriate officers of the Issuer, including without limitation the Mayor and City Recorder, are authorized to take all action necessary or reasonably required by the Bond Purchase Agreement to carry out, give effect to and consummate the transactions as contemplated thereby.

(xii) Each Registered Owner or any duly authorized agent or agents thereof shall have the right at all reasonable times to inspect all records, accounts and data relating to the receipt and disbursements of Revenues. Except as otherwise provided herein, the Issuer further agrees that it will within one hundred eighty (180) days following the close of each Bond Fund Year cause an audit of such books and accounts to be made by an independent firm of certified public accountants. (5) The number of parcels of property connected to the System at the end of the fiscal year;

(6) An analysis of all funds created in this Master Resolution, setting out all deposits and disbursements made during the fiscal year and the amount in each fund at the end of the fiscal year;

(7) The number of water and sewer connections within the boundaries of the Issuer, and applications for water and sewer service on hand at the end of the fiscal year;

(8) The total billings for such fiscal year;

(9) All schedules of rates and charges imposed for water and sewer service during the fiscal year.

Such audit must be performed in accordance with generally accepted government auditing standards and will be provided to the Bondholders when available, but in no event later than 180 days after the end of said Bond Fund Year. In addition, the Issuer shall provide to the Purchaser when available, but in no event later than the first day of each Bond Fund Year, a copy of the Issuer’s budget for such Bond Fund Year.

(xiii) The Issuer may consolidate the bills submitted for culinary water and sewer service with those submitted for secondary water service for those persons who are liable for the payment of charges for such services and require that each such consolidated bill be paid in full as a unit and refuse to permit payment of one portion without payment of the remainder. Any bill not paid within thirty (30) days from the date it is mailed to the customer shall be deemed delinquent. The Issuer hereby agrees that if any water bill remains delinquent for more than sixty (60) days, it will initiate proceedings to cause all water service to the water user concerned to be cut off immediately.

(b) First Lien Bonds; Equality of Liens. The Series 2021 Bonds constitute an irrevocable first lien (but not necessarily an exclusive first lien) upon the Net Revenues. The Issuer covenants that the Series 2021 Bonds and any Parity Bonds issued and from time to time outstanding are equitably and ratably secured by a first lien on the Net Revenues and shall not be entitled to any priority one over the other in the application of the Net Revenues regardless of the time or times of the issuance of the Series 2021 Bonds and any other Parity Bonds, it being the intention of the Issuer that there shall be no priority among the Bonds and any such additional parity first lien securities regardless of the fact that they may be actually issued and delivered at different times.

(c) Payment of Principal and Interest. The Issuer covenants that it will punctually pay or cause to be paid the principal of and interest on every Bond issued
hereunder in strict conformity with the terms of the Bonds and this Master Resolution according to the true intent and meaning hereof and thereof. The principal of and interest on the Bonds are payable solely from the Net Revenues (except to the extent paid out of moneys attributable to Bond proceeds or other funds created hereunder or the income from the temporary investment thereof), which payments are hereby specifically pledged and assigned to the payment thereof in the manner and to the extent herein specified, and nothing in the Bonds or this Master Resolution should be considered as pledging any other funds or assets of the Issuer for the payment of the Bonds except for the Net Revenues pledged for such purpose hereunder.

(d) Performance of Covenants; Issuer. The Issuer covenants that it will faithfully perform at all times any and all covenants, undertakings, stipulations and provisions contained herein, and in any and every Bond executed, authenticated and delivered hereunder. The Issuer represents that it is duly authorized under the Constitution of the State to issue the Series 2021 Bonds authorized hereby and to execute this Master Resolution, that all actions on its part for the issuance of said Bonds and the execution and delivery of this Master Resolution have been duly and effectively taken, and that said Bonds in the hands of the Registered Owners thereof are and will be valid and enforceable obligations of the Issuer according to the import thereof.

(e) List of Bondholders. The Registrar will keep on file at its principal office a list of the names and addresses of the Registered Owners of all Bonds which are from time to time registered on the registration books. At reasonable times and under reasonable regulations established by the Registrar, said list may be inspected and copied by the Issuer or by the Registered Owners (or a designated representative thereof) of 10% or more in principal amount of Bonds then Outstanding, such ownership and the authority of any such designated representative to be evidenced to the reasonable satisfaction of the Registrar.

(f) Designation of Additional Paying Agents. The Issuer hereby covenants and agrees to cause the necessary arrangements to be made through the Paying Agent and to be thereafter continued for the designation of alternate paying agents, if any, and for the making available of funds hereunder, but only to the extent such funds are made available to the Issuer from Bond proceeds or other Funds created hereunder or the income from the temporary investment thereof, for the payment of such of the Bonds as shall be presented when due at the principal corporate trust office of the Paying Agent, or its successor in trust hereunder, or at the office of said alternate paying agents.

(g) Tax Exemption of Series 2021 Bonds. The Issuer recognizes that Section 149(a) of the Code requires bonds to be issued and to remain in fully registered form in order that interest thereon not to be includible in gross income for purposes of federal income taxation under laws in force at the time the bonds are delivered. The Series 2021 Bonds issued pursuant to this Master Resolution, the interest on which is excludable from gross income for federal income tax purposes, are referred to in this Section 7.07 as “tax exempt Bonds.” Pursuant to the provisions thereof, the Issuer agrees that it will not take any action to permit tax exempt Bonds issued hereunder to be issued in, or converted into, bearer or coupon form, unless the Issuer first receives an opinion from nationally
recognized bond counsel that such action will not result in the interest on any tax-exempt Bonds becoming includible in gross income for purposes of federal income taxes then in effect.

The Issuer’s Mayor, City Recorder, and other officers are hereby authorized and directed to execute such certificates as shall be necessary to establish that the tax exempt Bonds issued hereunder are not “arbitrage bonds” within the meaning of Section 148 of the Code and the regulations promulgated or proposed thereunder, including Treasury Regulation Sections 1.148-1 through 1.148-11, 1.149 and 1.150-1 through 1.150-2 as the same presently exist, or may from time to time hereafter be amended, supplemented or revised. The Issuer covenants and certifies to and for the benefit of the Registered Owners of such tax exempt Bonds that no use will be made of the proceeds of the issue and sale of such tax exempt Bonds, or any funds or accounts of the Issuer which may be deemed to be available proceeds of such tax exempt Bonds, pursuant to Section 148 of the Code and applicable regulations (proposed or promulgated) which use, if it had been reasonably expected on the date of issuance of such tax exempt Bonds, would have caused the tax exempt Bonds to be classified as “arbitrage bonds” within the meaning of Section 148 of the Code. Pursuant to this covenant, the Issuer obligates itself to comply throughout the term of such tax-exempt Bonds with the requirements of Section 148 of the Code and the regulations proposed or promulgated thereunder.

The Issuer further covenants and agrees to and for the benefit of the Registered Owners that the Issuer (i) will not take any action that would cause interest on the tax exempt Bonds issued hereunder to become includible in gross income for purposes of federal income taxation, (ii) will not omit to take or cause to be taken, in timely manner, any action, which omission would cause the interest on the tax exempt Bonds to become includible in gross income for purposes of federal income taxation, and (iii) will, to the extent possible, comply with any other requirements of federal tax law applicable to the tax exempt Bonds in order to preserve the exclusion from gross income for purposes of federal income taxation of interest on such tax exempt Bonds.

(h) Instruments of Further Assurance. The Issuer, the Registrar and the Paying Agent mutually covenant that they will, from time to time, each upon the written request of the other, execute and deliver such further instruments and take or cause to be taken such further actions as may be reasonable and as may be required by the other to carry out the purposes hereof; provided, however, that no such instruments or action shall involve any personal liability of the Paying Agent, Registrar or members of the Council of the Issuer or any official thereof.

(i) Covenant of State of Utah. In accordance with Section 11-14-307(3) of the Act, the State of Utah pledges and agrees with the Owners of the Series 2021 Bonds that it will not alter, impair or limit the Revenues in a manner that reduces the amounts to be rebated to the Issuer which are devoted or pledged herein until the Series 2021 Bonds, together with applicable interest, are fully met and discharged; provided, however, that nothing shall preclude such alteration, impairment or limitation if and when adequate provision shall be made by law for the protection of the Owners of the Series 2021 Bonds.
Section 20.
EVENTS OF DEFAULT; REMEDIES

(a) Events of Default. Each of the following events is hereby declared an “Event of Default”:

(i) if payment of any installment of interest on any of the Bonds shall not be made by or on behalf of the Issuer when the same shall become due and payable, or

(ii) if payment of the principal of or the redemption premium, if any, on any of the Bonds shall not be made by or on behalf of the Issuer when the same shall become due and payable, either at maturity or by proceedings for redemption in advance of maturity or through failure to fulfill any payment to any fund hereunder or otherwise; or

(iii) if the Issuer shall for any reason be rendered incapable of fulfilling its obligations hereunder; or

(iv) if an order or decree shall be entered, with the consent or acquiescence of the Issuer, appointing a receiver or custodian for any of the Revenues of the Issuer, or approving a petition filed against the Issuer seeking reorganization of the Issuer under the federal bankruptcy laws or any other similar law or statute of the United States of America or any state thereof, or if any such order or decree, having been entered without the consent or acquiescence of the Issuer shall not be vacated or discharged or stayed on appeal within 30 days after the entry thereof; or

(v) if any proceeding shall be instituted, with the consent or acquiescence of the Issuer, for the purpose of effecting a composition between the Issuer and its creditors or for the purpose of adjusting the claims of such creditors pursuant to any federal or state statute now or hereafter enacted, if the claims of such creditors are or may be under any circumstances payable from Revenues; or

(vi) if (i) the Issuer is adjudged insolvent by a court of competent jurisdiction, or (ii) an order, judgment or decree be entered by any court of competent jurisdiction appointing, without the consent of the Issuer, a receiver, trustee or custodian of the Issuer or of the whole or any part of their property and any of the aforesaid adjudications, orders, judgments or decrees shall not be vacated or set aside or stayed within 60 days from the date of entry thereof; or

(vii) if the Issuer shall file a petition or answer seeking reorganization, relief or any arrangement under the federal
bankruptcy laws or any other applicable law or statute of the United States of America or any state thereof; or

(viii) if, under the provisions of any other law for the relief or aid of debtors, any court of competent jurisdiction shall assume custody or control of the Issuer or of the whole or any substantial part of the property of the Issuer, and such custody or control shall not be terminated within 30 days from the date of assumption of such custody or control; or

(ix) if the Issuer shall default in the due and punctual performance of any other of the covenants, conditions, agreements and provisions contained in the Bonds or herein or on the part of the Issuer to be performed, other than as set forth above in this Section 9.01, and such Default shall continue for 30 days after written notice specifying such Event of Default and requiring the same to be remedied shall have been given to the Issuer by the Registered Owners of not less than 25% in aggregate principal amount of the Bonds then Outstanding hereunder.

(b) Remedies; Rights of Registered Owners. Upon the occurrence of an Event of Default, the Bondholders may pursue any available remedy by suit at law or in equity to enforce the payment of the principal of, premium, if any, and interest on the Bonds then Outstanding or to enforce any obligations of the Issuer hereunder, plus attorneys’ fees.

No remedy by the terms hereof conferred upon or reserved to the Registered Owners is intended to be exclusive of any other remedy, but each and every such remedy shall be cumulative and shall be in addition to any other remedy given to the Registered Owners hereunder or now or hereafter existing at law or in equity or by statute.

No delay or omission to exercise any right or power accruing upon any Event of Default shall impair any such right or power or shall be construed to be a waiver of any Event of Default or acquiescence therein; and every such right and power may be exercised from time to time and as often as may be deemed expedient.

No waiver of any Event of Default hereunder shall extend to or shall affect any subsequent Event of Default or shall impair any rights or remedies consequent thereon.

(c) Right of Registered Owners to Direct Proceedings. Anything herein to the contrary notwithstanding, the Registered Owners of a majority in aggregate principal amount of the Bonds then Outstanding shall have the right, at any time, to direct the time, the method and place of conducting all proceedings to be taken in connection with the enforcement of the terms and conditions hereof, or for the appointment of a receiver or any other proceedings hereunder; provided, that such direction shall not be otherwise than in accordance with the provisions of law and of this Master Resolution.
(d) Application of Moneys. All moneys received by the Paying Agent pursuant to any right given or action taken under the provisions of this Article IX shall, after payment of Paying Agent’s fees and expenses of the proceedings resulting in the collection of such moneys and of the expenses, liabilities and advances incurred or made by the Paying Agent, be deposited in the Bond Fund and all moneys so deposited in the Bond Fund shall be applied in the following order:

(i) To the payment of the principal of, premium, if any, and interest then due and payable on the Bonds as follows:

(1) Unless the principal of all the Bonds shall have become due and payable, all such moneys shall be applied:

FIRST—To the payment to the persons entitled thereto of all installments of interest then due on the Bonds, in the order of the maturity of the installments of such interest and, if the amount available shall not be sufficient to pay in full any particular installment, then to the payment ratably, according to the amounts due on such installment, to the persons entitled thereto, without any discrimination or privilege; and

SECOND—To the payment to the persons entitled thereto of the unpaid principal of and premium, if any, on the Bonds which shall have become due (other than Bonds called for redemption for the payment of which moneys are held pursuant to the provisions hereof), in the order of their due dates, with interest on such Bonds from the respective dates upon which they become due, and, if the amount available shall not be sufficient to pay in full Bonds due on any particular date, together with such interest, then to the payment ratably, according to the amount of principal due on such date, to the persons entitled thereto without any discrimination or privilege.

(2) If the principal of all the Bonds shall have become due and payable, all such moneys shall be applied to the payment of the principal and interest then due and unpaid upon the Bonds, without preference or priority of principal over interest or of interest over principal, or of any installment of interest over any other installment of interest, or of any Bond over any other Bond, ratably, according to the amounts due respectively for principal and interest, to the persons entitled thereto without any discrimination or privilege.

Whenever moneys are to be applied pursuant to the provisions of this Section 9.04, such moneys shall be applied at such times, and from time to time, as the Registered Owners shall determine, having due regard to the amounts of such moneys available for
such application and the likelihood of additional moneys becoming available for such application in the future. Whenever the Registered Owners shall apply such funds, they shall fix the date (which shall be an interest payment date unless it shall deem another date more suitable) upon which such application is to be made and upon such date interest on the amounts of principal paid on such dates shall cease to accrue.

(e) Rights and Remedies of Registered Owners. Except as provided in the last sentence of this Section 9.05, no Registered Owner of any Bond shall have any right to institute any suit, action or proceeding in equity or at law for the enforcement hereof or for the execution of any trust thereof or for the appointment of a receiver or any other remedy hereunder, unless an Event of Default has occurred. No one or more Registered Owner of the Bonds shall have any right in any manner whatsoever to affect, disturb or prejudice the lien hereof by its, his or their action or to enforce any right hereunder except in the manner herein provided, and that all proceedings at law or in equity shall be instituted, had and maintained in the manner herein provided and for the equal benefit of the Registered Owners of all Bonds then Outstanding. Nothing herein contained shall, however, affect or impair the right of any Registered Owner to enforce the covenants of the Issuer to pay the principal of, premium, if any, and interest on each of the Bonds issued hereunder held by such Registered Owner at the time, place, from the source and in the manner in said Bonds expressed.

(f) Termination of Proceedings. In case one or more Registered Owner shall have proceeded to enforce any right hereunder by the appointment of a receiver, or otherwise, and such proceedings shall have been discontinued or abandoned for any reason, or shall have been determined adversely to the Registered Owner, then and in every such case the Issuer and the Registered Owner shall be restored to their former positions and rights hereunder, and all rights, remedies and powers of the Registered Owner shall continue as if no such proceedings had been taken.

(g) Waivers of Events of Default. The Registered Owners may in their discretion waive any Event of Default hereunder and its consequences; provided, however, that there shall not be waived (i) any Event of Default in the payment of the principal of any Bonds at the date of maturity specified therein, or (ii) any default in the payment when due of the interest on any such Bonds, unless prior to such waiver or rescission, all arrears of interest, with interest (to the extent permitted by law) at the rate borne by the Bonds in respect of which such Event of Default shall have occurred on overdue installments of interest and all arrears of payments of principal and premium, if any, when due in connection with such Event of Default shall have been paid or provided for, and in case of any such waiver or rescission, or in case any proceeding taken by the Registered Owners on account of any such Event of Default shall have been discontinued or abandoned or determined adversely, then and in every such case the Issuer and the Registered Owners shall be restored to their former positions and rights hereunder, respectively, but no such waiver or rescission shall extend to any subsequent or other Event of Default, or impair any right consequent thereof.

Section 21.
SUPPLEMENTAL RESOLUTIONS
(a) Supplemental Resolutions Not Requiring Consent of Registered Owners. Upon 30 days prior written notice to the Registered Bond Holders, the Issuer may, without the consent of any of the Registered Owners, enter into a resolution or resolutions supplemental hereto, as shall not be inconsistent with the terms and provisions hereof, for any one or more of the following purposes:

(i) To cure any ambiguity or formal defect or omission herein;

(ii) To grant to or confer upon the Registered Owners any additional rights, remedies, powers or authority that may lawfully be granted to or conferred upon the Registered Owners or any of them;

(iii) To pledge subject to this Master Resolution additional Revenues or other revenues, properties, collateral or security; and

(iv) To make any other change hereto which is not materially prejudicial to the interests of the Registered Owners.

(b) Supplemental Resolutions Requiring Consent of Registered Owners; Waivers and Consents by Registered Owners. Exclusive of Supplemental Resolutions covered by Section 10.01 hereof and subject to the terms and provisions contained in this Section 10.02, and not otherwise, the Registered Owners of 66-2/3% in aggregate principal amount of the Bonds then Outstanding shall have the right, from time to time, anything contained herein to the contrary notwithstanding, to (i) consent to and approve the execution by the Issuer of such other resolution or resolutions supplemental hereto as shall be deemed necessary and desirable by the Issuer for the purpose of modifying, altering, amending, adding to or rescinding, in any particular, any of the terms or provisions contained herein or in any Supplemental Resolution, or (ii) waive or consent to the taking by the Issuer of any action prohibited, or the omission by the Issuer of the taking of any action required, by any of the provisions hereof or of any resolution supplemental hereto; provided, however, that nothing in this Section 10.02 contained shall permit or be construed as permitting (a) an extension of the stated maturity or reduction in the principal amount of, or reduction in the rate of or extension of the time of paying of interest on, or reduction of any premium payable on the redemption of, any Bond, without the consent of the Registered Owner of such Bond, or (b) a reduction in the amount or extension of the time of any payment required by any Fund established hereunder applicable to any Bonds without the consent of the Registered Owners of all the Bonds which would be affected by the action to be taken, or (c) a reduction in the aforesaid aggregate principal amount of Bonds, the Registered Owners of which are required to consent to any such waiver or Supplemental Resolution, or (d) the issuance of Additional Bonds in accordance with Section 4.08 hereof, or (e) affect the rights of the Registered Owners of less than all Bonds then outstanding, without the consent of the Registered Owners of all the Bonds at the time Outstanding which would be affected by the action to be taken.
Section 22.
DISCHARGE OF RESOLUTION

If the Issuer shall pay or cause to be paid, or there shall be otherwise paid or provision for payment made, to or for the Registered Owners of the Bonds, the principal of and interest due or to become due thereon at the times and in the manner stipulated therein, and shall pay or cause to be paid to the Paying Agent all sums of moneys due or to become due according to the provisions hereof, then these presents and the estate and rights hereby granted shall cease, terminate and be void, whereupon the Issuer shall cancel and discharge the lien hereof, except moneys or securities held by the Issuer for the payment of the principal of and interest on the Bonds.

Any Bond shall be deemed to be paid within the meaning of this Article X when payment of the principal of such Bond, plus interest thereon to the due date thereof (whether such due date be by reason of maturity or upon redemption as provided herein, or otherwise), either (a) shall have been made or caused to have been made in accordance with the terms thereof, or (b) shall have been provided by irrevocably depositing with or for the benefit of the Registered Owners, in trust and irrevocably setting aside exclusively for such payment, (i) moneys sufficient to make such payment, or (ii) Government Obligations, maturing as to principal and interest in such amount and at such times as will insure the availability of sufficient moneys to make such payment, and all necessary and proper fees, compensation and expenses of any credit enhancer and any paying agent pertaining to the Bond with respect to which such deposit is made shall have been paid or the payment thereof provided for to the satisfaction of the Registered Owners. At such times as a Bond shall be deemed to be paid hereunder, as aforesaid, it shall no longer be secured by or entitled to the benefits hereof, except for the purposes of any such payment from such moneys or Government Obligations.

Notwithstanding the foregoing, in the case of Bonds, which by their terms may be redeemed prior to their stated maturity, no deposit under the immediately preceding paragraph shall be deemed a payment of such Bonds as aforesaid until the Issuer shall have:

(i) instructed the Paying Agent to call for redemption pursuant hereto any Bonds to be redeemed prior to maturity pursuant to Subparagraph (i) above; and

(ii) instructed the Paying Agent to mail, as soon as practicable, in the manner prescribed by Section 4.05 hereof, a notice to the Registered Owners of such Bonds that the deposit required by this Section has been made with the Paying Agent and that such Bonds are deemed to have been paid in accordance with this Article X and stating the maturity or redemption date upon which moneys are to be available for the payment of the principal or redemption price, if applicable, on said Bonds as specified in Subparagraph (i) above.
Any moneys so deposited with the Paying Agent as provided in this Article X may at the direction of the Issuer also be invested and reinvested in Government Obligations, maturing in the amounts and times as hereinbefore set forth, and all income from all Government Obligations in the hands of the Paying Agent pursuant to this Article X which is not required for the payment of the Bonds and interest thereon with respect to which such moneys shall have been so deposited, shall be deposited in the Bond Fund as and when realized and collected for use and application as are other moneys deposited in that fund; provided, however, that before any excess moneys shall be deposited in the Bond Fund, the Paying Agent shall first obtain a written verification from a certified public accountant that the moneys remaining on deposit with the Paying Agent and invested in Government Obligations after such transfer to the Bond Fund shall be sufficient in amount to pay principal and interest on the Bonds when due and payable.

Notwithstanding any provision of any other Article hereof which may be contrary to the provisions of this Article X, all moneys or Government Obligations set aside and held in trust pursuant to the provisions of this Article X for the payment of Bonds (including interest thereon) shall be applied to and used solely for the payment of the particular Bonds (including interest thereon) with respect to which such moneys or Government Obligations have been so set aside in trust.

Anything in Article IX hereof to the contrary notwithstanding, if moneys or Government Obligations have been deposited or set aside with the Paying Agent pursuant to this Article X for the payment of Bonds and such Bonds shall not have in fact been actually paid in full, no amendment to the provisions of this Article X shall be made without the consent of the Registered Owner of each Bond affected thereby.

Section 23.
MISCELLANEOUS

(a) Consents, Etc., of Registered Owners. Any consent, request, direction, approval, objection or other instrument required hereby to be executed by the Registered Owners may be in any number of concurrent writings of similar tenor and maybe executed by such Registered Owners in person or by agent appointed in writing. Proof of the execution of any such consent, request, direction, approval, objection or other instrument or of the writing appointing any such agent and of the ownership of Bonds, if made in the following manner, shall be sufficient for any of the purposes hereof, and shall be conclusive with regard to any action taken under such request or other instrument, namely, the fact and date of the execution by any person of any such writing may be proved by the certificate of any officer in any jurisdiction who by law has power to take acknowledgments within such jurisdiction that the person signing such writing acknowledged before him the execution thereof, or by affidavit of any witness to such execution.

(b) Limitation of Rights. With the exception of rights herein expressly conferred, nothing expressed or mentioned in or to be implied from this Master Resolution or the Bonds is intended or shall be construed to give to any person other than the parties hereto, the Registered Owners of the Bonds, any legal or equitable right, remedy
or claim under or in respect hereto or any covenants, conditions and provisions herein contained, this Master Resolution and all of the covenants, conditions and provisions hereof being intended to be and being for the sole and exclusive benefit of the parties hereto, the Registered Owners of the Bonds as herein provided.

(c) Severability. If any provision hereof shall be held or deemed to be or shall, in fact, be inoperative or unenforceable as applied in any particular case in any jurisdiction or in all jurisdictions, or in all cases because it conflicts with any other provision or provisions hereof or any constitution or statute or rule of public policy, or for any other reason, such circumstances shall not have the effect of rendering the provision in question inoperative or unenforceable in any other case or circumstance, or of rendering any other provision or provisions herein contained invalid, inoperative, or unenforceable to any extent whatever.

The invalidity of any one or more phrases, sentences, clauses or Sections herein contained, shall not affect the remaining portions hereof, or any part thereof.

(d) Maintenance of Proceedings. A certified copy of this Master Resolution and every amendatory or supplemental ordinance or resolution shall be kept on file in the office of the City Recorder where it shall be made available for inspection by any Bondholder or his agent. Upon payment of the reasonable cost of preparing the same, a certified copy of this Master Resolution, any amendatory or supplemental ordinance or resolution will be furnished to any Bondholder. The Bondholders may, by suit, action, mandamus, injunction, or other proceedings, either at law or in equity, enforce or compel performance of all duties and obligations required by this Master Resolution to be done or performed by the Issuer. Nothing contained herein, however, shall be construed as imposing on the Issuer any duty or obligation to levy any tax to pay the principal on the Series 2021 Bonds authorized herein or to meet any obligation contained herein concerning the Series 2021 Bonds.

(e) Defeasance of the Series 2021 Bonds. If the Issuer shall pay or cause to be paid, or there shall be otherwise paid or provision for payment made to the Registered Owner of the Series 2021 Bonds for the payments due or to become due thereon at the times and in the manner stipulated therein, then the first lien pledge of the Net Revenues under this Master Resolution and any and all estate, right, title and interest in and to any of the funds and accounts created hereunder (except moneys or securities held by a Depository Bank for the payment of the Series 2021 Bonds) shall be cancelled and discharged.

Any Series 2021 Bond shall be deemed to be paid within the meaning of this Section when payment of the Series 2021 Bonds (whether such due date be by reason of maturity or upon prepayment or redemption as provided herein) shall have been made in accordance with the terms thereof. At such time as the Series 2021 Bonds shall be deemed to be paid hereunder, they shall no longer be secured by or entitled to the benefits hereof (except with respect to the moneys and securities held by a Depository Bank for the payment of the Series 2021 Bonds).
(f) Sale of Series 2021 Bonds Approved. The sale of the Series 2021 Bonds to the Purchaser, at par, is hereby ratified, confirmed, and approved.

(g) Bondholders not Responsible. The Bondholders shall not be responsible for any liabilities incurred by the Issuer in the acquisition, construction or use of the Series 2021 Project.

(h) Bonds Registrar and Paying Agent. The City Recorder is hereby designated to act as Paying Agent and the Bond Registrar for and in respect to the Series 2021 Bonds.

(i) Notice of Series 2021 Bonds to be Issued. In accordance with the provisions of the Act, the City Recorder has caused a “Notice of Public Hearing and Bonds to be Issued” (the “Notice”) to be (a) published once a week for two consecutive weeks in the Times Independent, a newspaper having general circulation in the Issuer, and has caused a copy of the Parameters Resolution to be kept on file in the office of the City Recorder for public examination during regular business hours at least thirty (30) days from and after the date of publication thereof, (b) posted on the Utah Public Notice Website (http://pmn.utah.gov) created under Section 63F-1-701 Utah Code Annotated 1953, as amended, and (c) posted on the Utah Legal Notices website (www.utahlegals.com) created under Section 45-1-101, Utah Code Annotated 1953, as amended, no less than fourteen (14) days prior to the hearing. Such notice is hereby reaffirmed and approved. In accordance with the provisions of the Act and the Notice, a public hearing was held on March 23, 2021, to receive input with respect to the issuance of the Series 2021 Bonds and the potential economic impact that the Series 2021 Project will have on the private sector.

(j) Additional Certificates, Documents, and Other Papers. The appropriate officials of the Issuer, and each of them, are hereby authorized and directed to execute and deliver for and on behalf of the Issuer any or all additional certificates, documents, and other papers and to perform all other acts they may deem necessary or appropriate in order to implement and carry out the matters authorized in this Master Resolution and the documents authorized and approved herein.

(k) Severability. If any section, paragraph, clause, or provision of this Master Resolution shall be held to be invalid or unenforceable for any reason, the invalidity or unenforceability of such section, paragraph, clause, or provision shall not affect any of the remaining provisions of this Master Resolution. It is hereby declared by the Governing Body of the Issuer that it is the intention of the Issuer by the adoption of this Master Resolution to comply in all respects with the provisions of the Act.

(l) Resolutions in Conflict. All resolutions or parts thereof in conflict with the provisions of this Master Resolution are, to the extent of such conflict, hereby repealed.

(m) Effective Date of Resolution. This Master Resolution shall take effect immediately upon its approval and adoption.
