

Moab City Council Agenda Item

Meeting Date: March 9, 2021

Title: Consideration of an Interlocal Agreement by and between the City of Moab and Grand County with respect to joint planning for and funding of the technical planning assistance program funds cooperative agreement

Disposition: Discussion and possible action

Staff Presenter: Chuck Williams (City Engineer)

Attachments:

- Attachment 1 - Interlocal Agreement and Cooperative Agreement

Recommended Motion: "I move to approve an Interlocal Agreement by and between the City of Moab and Grand County with respect to joint planning for and funding of the technical planning assistance program funds cooperative agreement."

Background/Summary:

The City of Moab has not updated its Transportation Plan for over a decade. The Utah Department of Transportation (UDOT) has made available through its technical planning assistance program funds to assist local governments in transportation planning. The County applied for and received a grant to do so and asked the City if we wanted to conduct a joint plan, and the City affirmed that.

The attached Interlocal Agreement (ILA) commits the City to funding of the Transportation Plan in the amount of \$15,000. If Council approves this item the County will publish an RFP for qualified consultants to perform the planning effort.

Staff recommends approval of this ILA.
