Recommended Motion:

I move to award the 2021 MARC HVAC bid to Eco HVAC, LLC in the amount of \$54,381.00

Background/Summary:

The City advertised the bid for the MARC HVAC upgrade in the Times Independent on January 14 and 21, 2021 and conducted walkthroughs for potential bid candidates on January 20, 25, and 26, 2021. The bid opening was conducted on January 28, 2021 which included 5 bids.

On February 11, 2021, the City reviewed and rated those bids based on how each company addressed the bid requirements, the type of systems they recommended be installed, and bid amount including a local vendor preference.

Based on the screening the City conducted on February 11, 2021, it is my recommendation that we accept the bid from local vendor Eco HVAC, LLC in the amount of \$54,381.00 to perform the upgrades needed at the MARC facility.
