Moab City Council Agenda Item  
Meeting Date: May 25, 2021

Title: Interlocal Cooperation Agreement Between Utah County and Moab City for the Administration of the 2021 Municipal Election

Disposition: Discussion and possible action

Staff Presenter: Sommar Johnson, Recorder

Attachment(s):
- Attachment 1: Draft Election ILA with Utah County (updated)

Recommended Motion:
I move to approve the “Interlocal Agreement between Utah County and Moab City for the Administration of the 2021 Municipal Election.”

Background/Summary:
On April 27, 2021, the City Council passed a resolution to participate in the Municipal Alternative Voting Methods Pilot Project (Ranked Choice Voting). The Lt. Governor’s Office allows municipalities to contract with another County if their County is unable to run the election. Since the Grand County Clerk’s Office does not have the software to run a ranked choice voting election, we plan to contract with Utah County for our 2021 municipal election.

The motion made by Councilmember Jones in approving the resolution included specific clarifications to be included in the ILA. Those items were (1) have Utah County receive mailed ballots directly, verify signatures and input into VISTA daily Monday through Friday, and (2) have Moab City operate ballot boxes until Utah County has onsite staff, and overnight ship ballots to Utah County for processing each Tuesday and Thursday. The Recorder’s Office will work with the Utah County Elections Office to accommodate these requests.
