Moab City Council Agenda Item
Meeting Date: December 14, 2021

**Title:** Film Commission Transfer to Grand County: Termination of Interlocal Agreement and Surplus of Property

**Presenter:** Annie McVay, Parks, Recreation and Trails Director

**Attachment(s):**
- Draft Letter Terminating Interlocal Agreement with Grand County for Film Commission
- Copy of the Interlocal Agreement for the Provision of the Formation of a Film Commission by and Between Grand County and the City of Moab – Resolution #20-2007.
- Proposed Resolution #37-2021

**Recommended Motion:**
I move to terminate the Interlocal Agreement For the Provision of the Formation of a Film Commission by and Between Grand County and the City of Moab – Resolution #20-2007.

I move to approve Resolution #37-2021 A resolution of the Governing Body Declaring City Property as Surplus.

**Background/Summary:**

The Moab to Monument Valley Film Commission (Film Commission) has provided benefits to the Moab area since 1949. The Film Commission has undergone various management structures originally being a private entity for 50 years and most recently Grand County and the City of Moab have partnered to fund the Film Commission for over a decade. With the increase in Transient Room Tax (TRT), the City proposed that Grand County take full responsibility for the Film Commission. The Film Commission is most closely tied to economic development, film tourism and is most appropriately fully funded by TRT. The City’s goal is for the Film Commission continuing most successfully and believes the County’s role with economic development and tourism would help increase its role and impact. Grand County included the full cost of the Film Commission in their 2022 budget which begins January 1, 2022. As part of the management transition, the City will be terminating the interlocal agreement that established the partnership. The City will also surplus several assets associated with the Film Commission and providing them to the County to aid in a smooth transition.
