

Moab City Council Agenda Item
Meeting Date: January 25, 2022

Title: Consideration of Location to Construct Pickleball Courts

Presenter: Annie McVay, Parks, Recreation and Trails Director

Attachment(s): N/A

Recommended Motion: I move that the pickleball courts be constructed at Old City Park.

Background/Summary: The City has successfully applied for a grant for the construction of four pickleball courts. The next step in moving the project forward is site selection for the courts. To assist in the site selection process a Committee of stakeholders was convened. The Committee brainstormed several locations and reviewed them against a set of criteria and grant stipulations (see chart below). The Committee is recommending Old City Park as the location of the pickleball courts.
