

Moab City Council Agenda Item

Meeting Date: January 25, 2022

Title: Confirmation of the appointment of Jill Tatton to the Moab City Planning Commission

Disposition: Discussion and possible action

Staff Presenter: Cory Shurtleff, Planning & Zoning Administrator

Attachment(s): N/A

Recommended Motion:

I move to confirm the appointment of Jill Tatton to the Moab City Planning Commission for a full three-year term that ends December 31, 2024

Background/Summary:

Jill has served as the School Principal for Helen M. Knight Elementary since April 2020, previously serving as the Assistant Principal. Jill has worked for the Grand County School District since 2008, originally working as a First-Grade Teacher, then transitioning to Second and Fifth Grade. Jill has dedicated immeasurable service to the Moab community and her interest in participating on the Moab City Planning Commission is greatly appreciated.

With the resignation of two previous Planning Commission appointments, this appointment would reinstate a complete seven-member commission for adequate operation of essential Planning Commission functions. Staff recommends the appointment of Jill Tatton.
