Recommended Motion:

I move to award the Concessionaire Contract to approve Janae Packard, Concessions on Center, as the Ballpark Concessionaire.

Background/Summary: Concessions on Center is a small professionally run concession trailer that provides food service during the summer baseball / softball season for patrons at the Center St. Ballpark. They serve a variety of food, snacks, and beverages. Concessions on Center has offered quality products and service for the past two summer sports seasons at the ballpark, and Moab City Recreation hopes to continue our relationship with this vendor.
