Joette Langianese
Mayor

January 31, 2023,

To Whom It May Concern,

As the Mayor of the City of Moab I am writing this letter in support of the Moab Valley Multicultural Center's (MVMC) application for their Crisis Resource and Advocacy Services program. This program is essential for providing services to Moab residents in support of homeless outreach, food pantry, and general community health care and legal services.

The MVMC provides unique services in Moab City and offers much needed support, not only to the City's immigrant population, but to anyone who finds themselves in vulnerable situations. These services provide a great benefit to our community and to those who the MVMCC serves. The City's is fortunate to have such a special organization that works with those who are in need and require specific support that only the MVMC is capable of providing in our rural community.

It is our hope that the George S. and Dolores Dore Eccles Foundation will consider funding this organization in order for the MVMC to continue to provide these valuable services to those most susceptible to the challenges in their lives.

Please feel free to reach out to me if you have any questions or would like more information.

Respectfully Submitted,
