

Moab City Council Agenda Item
Meeting Date: September 26, 2023

Title: Spring #2 Collection Box Improvements Project

Disposition: Discussion and possible action

Staff Presenter: Chuck Williams, City Engineer

Attachment(s):

Attachment 1 – Spring #2 Bid Evaluation

Recommended Motion:

“I move to award the Spring #2 Collection Box Improvements Project construction contract to Jackson Excavation, Inc. in the amount of \$179,045.00 and authorize the Mayor to sign the Notice of Intent to Award and Contract.”

Background/Summary:

This past year, City Utilities workers discovered that the Spring #2 collection box and outlet pipe that convey water to the City’s culinary water distribution system was damaged, plugged, and leaking. Staff advertised an invitation for bids for the Spring #2 Collection Box Improvements Project, to be completed this calendar year. One bid was received, from Jackson Excavation, Inc. Their bid was approximately 10.5% higher than the engineer’s estimate of cost. Funds for this project will come from the existing water bond. City staff and the design engineering consultant have reviewed the bids, and recommend awarding a contract for these services to Jackson Excavation in the amount of \$179,045.00.
