Recommended Motion: I move to adopt “Proposed Resolution #29-2019 Adopting the FY 2019-2020 Annual Budget”

Background/Summary:

The tentative budget was adopted on April 23, 2019 and we held a public hearing on that budget on May 14, 2019. I’ve attached the changes made to the proposed budget that were reviewed at the public hearing.

The budget is ready for adoption which will appropriate funds for the next Fiscal Year beginning on July 1, 2019. The annual pay plan and pay rates for elected and appointed officials requires a separate process for approval, as per state code, and will require a separate public hearing and adoption which is on the June 11, 2019 council agenda.

Thanks and please let us know if you have any questions.
