WHEREAS, through no action of the Wang Corporation, the property was split zoned with the commercial zoning extending south into the parcel a distance of approximately twenty-five feet; and

WHEREAS, the Owner wishes to change the zoning of the 4.4-acre property from R-2, Single Family and Two Family Residential Zone, to C-4, General Commercial Zone; and

the area for which a map amendment is requested has changed or is changing to such a degree that it is in the public interest to encourage redevelopment of the area.

WHEREAS, the Commission has determined that the review standards in Moab Municipal Code chapter 17.04.060, Map amendment approval criteria, have been met as follows:
   A. The existing zone for the property was adopted in error,
   B. Changes in the area have occurred including new growth trends and a need for development transitions,
   C. The proposed zoning classification is compatible with the majority of surrounding uses and any impacts from development can be mitigated,
   D. Adequate facilities are available to serve the type and scope of development suggested by the proposed zoning classification, and
   E. The application conforms to provisions of the Moab general plan and the Land Use Code.

NOW, THEREFORE, THE PLANNING COMMISSION OF THE CITY OF MOAB, UTAH having considered public comment, Staff recommendations, and discussion of the pertinent aspects of the proposed development, by adoption of Resolution #02-2015, does hereby find, determine, and declare, that the applicable provisions of the Moab Municipal Code and the intent of the Moab General Plan can be met;

AND, FURTHERMORE, the Planning Commission hereby favorably recommends Ordinance #2015-02 and the application to rezone the 4.4 acre Wang Organization, Ltd. Property located at 889 North Main Street, Moab, Utah, from R-2 to C-4 to the Moab City Council.
