

# Moab Area Land Use

## Public Workshop

*for City of Moab and Grand County  
residents & stakeholders*

**Tuesday, April 30, 2019**

**5:00 - 7:00 pm**

**Grand Center**

**182 North 500 West - Moab, Utah**

**Please join us to review policies that will guide future land development in Moab and Grand County, including overnight accommodations.**

The City of Moab and Grand County have contracted with Landmark Design to review Moab Valley's land use. The goal is to create a unified land use plan that reflects the vision of Grand County and Moab's residents and meets the needs of our changing community.

### **Workshop Goals:**

- Review ordinances and zoning options
- Review local and national case studies and examples
- Review economic and market analyses for the area
- Receive input on preliminary land use concepts focused on overnight accommodations
