(City Offices Closed)

In April the new Finance Director for the City of Moab, Ben Billingsley, started and has dived right into the budget process for the City. You can watch the budget presentation, review, and approval process meetings on our [YouTube Channel](#). The City also welcomed Mila Dunbar-Irwin as our Sustainability Director. We are passionate about integrating sustainable practices throughout City processes and next month we will be introducing a Sustainability Section in the City Spotlight Newsletter. We are so glad to have Ben and Mila as a part of our team!

You will see more road repairs and re-painting of traffic lines around town as the weather is warming up. Most often, this type of road maintenance cannot get fully repaired in the winter due to the colder temperatures. Special thanks to our Public Works Streets team for all of the hard work they do.

Please remember while doing your spring cleaning that burning weeds, household waste (and other solid waste) is not allowed in city limits.

Free Movie Moab will be hosted on Friday evenings in Swanny Park throughout the summer!

May 14: *Monsters, Inc.*

May 21: *Thelma & Louise* (Brewvie)

May 28: Science on Screen *The Martian*

June 4: *The Croods: A New Age*

June 18: Science on Screen *Jurassic Park*

July 3: *Ferris Bueller's Day Off* (Brewvie)

July 9: *Onward*

July 23: *The Wizard of Oz*

August 6: *Raya and the Last Dragon*

***Showings will begin when the sun sets, usually around 8:30 p.m. Dates and movies are subject to change.**

Movie Nights are put on with the help of the Moab to Monument Valley Film Commission & the Sports and Recreation departments.
